- Delivers 50 watts to support up to 6 4-wire lights.
- Fully compatible with Perimeter lighting and Waterblade Sheer Decent waterfalls.

System fully compatible with Mini accent lights

Wi-Fi plug-in module available for the ColorTouch

Beauty and Safety

Automatic Safety Covers

*Everyday protection for your family...
at the touch of a button!*

Simply flip a switch, and your Latham automatic safety cover will create a barrier over your pool that no child or pet can penetrate. Custom-built to fit your pool perfectly and manufactured from best-in-class materials, Latham has the best protection available for your family and your pool investment!

Save on heat, water, electricity and chemicals.

An auto cover acts as a passive solar heater, increasing the temperature of your water by 8 to 10 degrees. It also reduces evaporation of water as well as consumption of chemicals. Less time cleaning... more time enjoying!

AUTOMATIC

MANUAL SOLID & MESH

Manual Solid and Mesh Safety Covers

Safety you can rely on!

Latham offers mesh safety covers for maximum drainage and solid safety covers that block 100% of sunlight – in a variety of material weights and colors. All can be custom designed to fit any size or shape pool precisely, including any special features such as raised walls, jump boards, stairs and rails.

We make it strong... to keep your family safe!

The stronger the cover, the safer the cover. Latham applies exclusive, patented design and manufacturing innovations to give our mesh and solid safety covers unmatched strength and durability. And, because we build them better, we back them better... with our exclusive 20-year warranty!

Safety Information

IMPORTANT: A number of very important items that are essential for the safe use of your pool may not be visible in many of the photographs, either because of perspective or camera angle, or because they were removed for photographic purposes. These items include; but are not limited to:

1. Safety ropes, which should remain in place at all times;
2. "No Diving" signs, which are provided and should be installed in accordance with instructions included on the coping, where they are clearly visible;
3. An area sign is provided and must be permanently and conspicuously affixed in the pool area where all users can see it;
4. Necessary means of exit and entry into the pool;
5. Fencing with a self-latching gate and/or an automatic cover, and other barriers that can assist in preventing unsupervised access to the pool by children;
6. Approved drain covers and other devices to protect against suction entrapment;
7. Minimum required inlets and returns to ensure proper water circulation;
8. Appropriate inpool lighting if the pool will be used after dark.

All of these devices should be installed in accordance with manufacturer's instructions, ANSI/NSPI or ANSI/APSP or ANSI/APSP/ICC standards, as well as state and local statutes and codes.

Diving boards and slides require minimum depths and distances and must only be installed and used in strict compliance with the equipment manufacturer's specifications and ANSI/NSPI or ANSI/APSP or ANSI/APSP/ICC standards. If the pool is labeled by us as NON-DIVING, then diving equipment may not be installed and any such equipment must be removed before the pool is used.

Smart pool owners always think safety first. They take specific steps to ensure that their family, friends and guests are knowledgeable about the safe and sensible use of their pool. They also:

- ensure that their pool is never used unless there is adequate supervision;
- ensure that their pool is kept in good repair and is not used when there is a missing or broken drain cover or other component;
- ensure that ALL CHILDREN using their pool are supervised constantly;

- that anyone under the influence of alcohol, drugs or stimulants that would impair their abilities or judgment does not use the pool;
- ensure that their pool is protected by appropriate barriers to unsupervised entry including fencing with self latching gates, covers, alarms, etc.

To assist you, a number of very important items of safety literature are included with each pool and also available upon request. We must insist that you read each item carefully and follow its instructions.

These are:

- Pool Owners Safety Handbook
- APSP "Sensible Way" Book
- Warranty
- "Children Aren't Waterproof" Book
- "No Diving" Label
- Warning Label
- Use and Care Manual
- Safety Sign Installation / Illustration Sheet
- Signs and Labels

Make sure your builder supplies you with all of the safety information that accompanies your pool and installs the enclosed warning stickers and area sign where they can be clearly visible to all who use the pool. It's also a good idea to contact your local American Red Cross for available CPR classes and other vital safety programs.

Diving May Result in Injury or Death

NOTICE AND DISCLAIMER TO CUSTOMER AND BUYER OF NON-RELATIONSHIP BETWEEN DEALERSHIP AND MANUFACTURER

This NOTICE AND DISCLAIMER is made to all retail customers and buyers of Liberty Composite Pools in the United States.

You are by this NOTICE advised that Liberty Composite Pools are sold by independent dealers and dealerships. Each dealer is an independent business person, who is completely separate from the manufacturer of Liberty Composite Pools. Each dealer is an independent contractor, and no dealer is an owner, agent (in fact or law), or employee of Liberty Composite Pools, the manufacturer.

Liberty Composite Pools, the manufacturer, hereby DISCLAIMS any liability for an intentional or negligent act by any Liberty Composite Pools

dealer or dealership or any damage to any Liberty Pool caused by an act of any dealer or dealership. Liberty Composite Pools will not be responsible or liable for any damages caused by any dealer or dealership. Liberty Composite Pools, as the manufacturer, offers a separate warranty to all customers and buyers of Liberty Composite Pools. That warranty offered by Liberty Composite Pools, the manufacturer, is separate and apart from other or additional warranty or guarantee offered by any dealer or dealership.

Any statement in any advertisement, literature, brochure, or website should NOT be interpreted or construed to expressly or impliedly create any relationship between Liberty Composite Pools and any dealer or dealership contrary to this NOTICE AND DISCLAIMER.
